

# Cost

## CUTTING THE COSTS OF YOUR TECHNOLOGY INVESTMENT WITH AS-A-SERVICE RENTAL

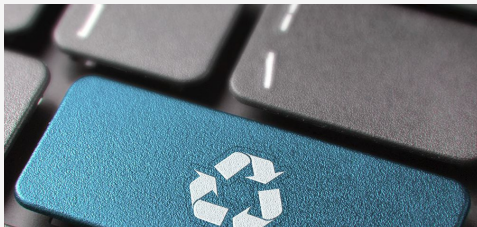

As-a-service models reduce large capital expenditure into small monthly payments.

By choosing subscription over ownership, companies can make significant savings while keeping cash reserves available. Rather than investing cash in depreciating assets, you can use it to help increase profits.

### 5-10% RESIDUAL SAVINGS

Align the rental term with your refresh policy and benefit from residual value savings

### 5% END-OF-LIFE SAVINGS

End-of-life GDPR data wiping & WEEE recycling included

### 2% INSURANCE SAVINGS

All rented assets insured against accident/fire/theft (at Econocom's cost)

### 100% TAX DEDUCTIBLE

In the UK, the rental payments are a fully tax deductible expense.

### VAT

VAT is spread over the lifetime of the agreement.
